

INVITATION GUEST SPEAKER

Dear Colleague,

On behalf of the **International Society of EndoVascular Specialists (ISEVS)**, the **Romanian Society for Endovascular Surgery and Transcatheter Valve Therapy (SRCETVT)** and the **Romanian Society Of Minimally Invasive Cardiac Surgery**, we are pleased to invite you to **attend as faculty** the East Meets West Congress which will be held from **4th to 6th October 2018**, in Bucharest, Romania, at **InterContinental Hotel**.

This event aims to explore the advancements made so far and the most exciting challenges we face right now in the treatment of cardiovascular disease.

More than 30 distinguished experts in cardiac, vascular surgery and endovascular therapy from Europe and US have already joined our panel of speakers.

The 3 days' program includes plenary sessions, case reports, workshops and live surgery cases, designed for vascular and cardiovascular surgeons, interventional cardiologists, interventional radiologists and other specialists.

To confirm your presence and in order for us to make all the arrangements, as well as to confirm the title of your presentation, please send us an email at ana@wiseadvertising.ro.

We are more than excited to have you sharing with us this important event and to write history together.

Sincerely,

Prof Rodney White - UCLA, Vice President ISEVS

Assoc. Prof. Dr. Adrian Molnar - University of Cluj

Assoc.Prof. Dr. Victor Costache - University Lucian Blaga Sibiu
